CLASS DESCRIPTIONS:

- Hatha Yoga-** Work on various asanas (hatha yoga poses) with a strong emphasis on prana and pranayama.
- Vinyasa Yoga/ Mindful Flow** –Vinyasa Yoga that connects one asana to another, unifying the breath and movement.
- Aerial Yoga/ Aerial Flow:** Hatha and Vinyasa yoga, supported by a soft hammock, allowing for -greater exploration and play within the poses. ****Please dress and prepare accordingly. Visit our website for details!***
- Restorative Therapeutic Yoga-** Soothing, gentle, well-supported poses that allow for rest, release and recovery.
- Yoga Fusion** - Yoga fused with the ballet barre, pilates ball, weights or bands for a zen workout.
- Hot Yoga-** A series of traditional yoga postures in a room heated around 90 degrees, with a focus on alignment and building endurance through the holding of yoga poses.
- Heated Vinyasa/ Warm Flow:** Move and groove through gentle Vinyasa sequences in a room that is heated with far infrared heat to approximately 80 degrees.
- Barre Express:** A low impact, dynamic workout that combines elements of ballet, yoga, pilates, and strength training and focuses on toning, stretching, lengthening, and strengthening the entire body.

****PLEASE NOTE: *All classes are mixed level. Our instructors will adjust class to meet their students' needs. *Classes are also subject to occasional cancellation or change. *BEGINNERS: * Please arrive at class at least 5- 10 minutes early and inform your instructor if you are new to yoga. Please also read our studio and class policies page before coming to class. We will always do our best to help you have the best experience possible! NAMASTE.***
